FRIDAY: PE

Curious Questions:

What do we do at Class Meeting?

What does PRIVILEGE mean?

What are TOOLS mathematicians use?

Who is Malala Yousafzai?

Who is your reading teacher?

What is a Global Citizen?

Yes, we have read the Meeuwsen News!

Congratulations! You are reading the first of many newsletters that come home every Monday. This newsletter allows all families to see important events and stay connected with our classroom. Please read together with your student, sign, cut, (or send in a signed sticky) and send back to school. If you sign students will be earning stamps for their GLOBAL PASSPORT to practice COMMUNICATING with parents. You will be hearing about this great learning opportunity on Back to School Night.

What an absolutely WONDERFUL week we had last week becoming a class family. Your students show amazing EFFORT and motivation to learn. I look forward to facilitating their journey this year!

Hopefully I will see all of you at our **BACK TO SCHOOL NIGHT this Thursday from 6-7:30**. I look forward to meeting you and sharing our classroom structures and expectations. You are in for a fabulous ride of learning, sharing, participating and taking risks with your child!

I look forward to the partnership we will have this school year as student, parents and myself. I will have many opportunities for families to assist in/out of our classroom this year. I am in need of weekly parent/grandparent volunteers to assist in making our room run smoothly. If you are available this week that would be great. I will have a sign up sheet on Thursday. I can not do what I do for your children without the help of families. It is going to be a great year!
