Meeuwsen News

Important Dates to Remember:

Friday, October 7th,
Jog-a-thon
Tuesday, October 11th FIELD TRIP Lansu Chinese Garden/Tilikum Bridge
October 17-20
Fall Conferences

SPECIALS

MONDAY: STEAM
TUESDAY: MUSIC
WEDNESDAY: PE
THURSDAY: STEAM
FRIDAY: MUSIC

Healthy Homework Idea:

Read for pleasure! Book, Magazine, online
Practice Place Value Math IXL
Get Jog-a-thon Pledges

Curious Questions:

What is a CHARACTER TRAIT?
What was my score on my PRE-ASSESSMENT Add/Subt. Math test?
What do I do on Code.org?
What have learned about Medical Teams International?

Yes, we have read the Meeuwsen News!

_____

Last week we learned a lot of new structures that we will be doing throughout the year. Students placed data on their Math Pre/Post spreadsheet (on their google drive) and set goals. It is important that students reflect on how they are doing and make a goal on where they are going to be AND most importantly HOW they will achieve that goal. Throughout the year we will be looking at what we CAN do and writing statements on what we WILL be doing later in the year. It is very powerful.

The first four parents to respond to the field trip volunteering were: Jennifer Fulcher (Ava), Jonathon Lam (Ethan), Juliet Hugeback (Jade) and Maria Boyas Arroyo (Dayanara). Those parents will be riding the bus to chaperone. If you would like to go but are not one of the four, you are more than welcome to drive, pay the entrance fee and join us! I wish I could take everyone!!

The Jog-a-thon is this Friday! Our class goal is that EVERYONE MAKES AN ATTEMPT to gather pledges. Students must have an adult with them gathering pledges. This will be a fun event, please dress for jogging on friday!

A representative from Medical Teams International visited our school on Thursday! She was so impressed with your children's knowledge and desire to assist with Hope Kits!

THIS WEEK I WOULD LIKE ALL STUDENTS TO SHARE OUR CLASS WEB PAGE WITH YOU!
